## Welcome at Restaurant Louis

The gastronomic fan has been opened further at Bottmingen Weiher Schloss.  
Behind historic walls, the remodeling work has been completed  
and a beautiful, freshly restored Rococo parlour  
with its own modern kitchen has emerged.

We are proud of our experienced chef  
Guy Wallyn, who will be cooking in our enchanting hideaway - now  
even closer to you dear guests - conjures up culinary delights.  
As usual, he creates culinary masterpieces from market-fresh, high-quality  
products in classic French tradition.

Forget everyday life and step over our drawbridge onto the  
gourmet island "Louis" to experience the ultimate in indulgence

We are looking forward to read about  
your impressions of the Gourmet Restaurant  
on our feedback form.

Well prepared, we are willing to spoiling you a little more every day.  
A warm welcome and *bonne dégustation!*
