Welcome at Restaurant Louis

The gastronomic fan has been opened further at Bottmingen Weiher Schloss.
Behind historic walls, the remodeling work has been completed
and a beautiful, freshly restored Rococo parlour
with its own modern kitchen has emerged.

We are proud of our experienced chef
Guy Wallyn, who will be cooking in our enchanting hideaway - now
even closer to you dear guests - conjures up culinary delights.
As usual, he creates culinary masterpieces from market-fresh, high-quality
products in classic French tradition.

Forget everyday life and step over our drawbridge onto the
gourmet island "Louis" to experience the ultimate in indulgence

We are looking forward to read about
your impressions of the Gourmet Restaurant
on our feedback form.

Well prepared, we are willing to spoiling you a little more every day.
A warm welcome and *bonne dégustation!*
